This month’s bills

One page. This month only. Education only — not advice.

On your phone: fill the fields, then screenshot or save. Record structure only — no ranking, no suggested amount.

Who this is for. Adults in the U.S. who already know this month may not cover every bill.

Who should skip. Bills are current and you only need a buffer. Court paper or shutoff: call 211 the same day.

Today’s date

Write the date you fill this.

Cash that will actually arrive

Only money you can name with a date. Not a credit limit.

Any notice (eviction / shutoff / court)

If this is not empty, that item jumps the list.

Bill	Due	Protects housing / power / food / medicine / work?	This month I will Pay in full / pay $____ and call / skip and call

A notice with a deadline jumps the list. Do not promise an amount that would bounce rent or required medicine.

Words you can read on the phone

The month is short. I can send $____ on ____. Do you have a hardship, extension, or arrangement?
Please tell me the date, the amount, and whether this keeps the account current.

FourHundred is an education tool. It is not personalized financial, tax, or legal advice.
