Validation notice sheet

One notice. Four lines. Then an official letter only if needed. Education only.

On your phone: fill the fields, then screenshot or save. Record structure only — no ranking, no suggested amount.

One notice only. If the paper says summons or complaint, stop. This sheet is not a court response.

Line	From the notice
Collector name The company that sent the letter.	
Creditor named Who the notice says you owe.	
Current amount The number on the notice, not a guess.	
End date of the 30-day period Usually 30 days from the letter date.	
Circle one I do not recognize / amount looks wrong / stop calls / I recognize and amount matches	
Letter I will use tear-off on the notice / CFPB sample / none today	

A written dispute before the date can pause collection of the disputed part until they send verification.
Asking them to stop calling does not erase the debt. Do not send a chatbot letter, SSN, or bank login.
